STEWARDSHIP UPDATE

Did you know?

While our hearts weigh heavy with terrible news of the devastating fire at Notre Dame Cathedral, we are reminded of safety systems needed to match today's needs. To ensure protection of our Historic Church, the Building Committee is planning on modernizing the sanctuary with a fire suppression system. Thank you for your continued commitment for our *It's Our Turn* Capital Campaign to rehabilitate our Historic Church and protect the sanctuary for future generations.

OUR PRAYER FOR TODAY

We pray for the Building Committee who, through their leadership, led the rehabilitation of the Historic Church while stewarding the generous capital campaign giving commitments.
